the hands of the inspectors themselves and might readily be made the custom of trade. TRUEGRAPHY IN CHINA The following is the letter by De, Maczosyan on the subject of introducing telegraphs into O'ima, the reply to which from Sir Rating lovely Alcock was given in the Overland Edition for the French Mails Sittyanivi, February 19th, 1869. The Hon, G. F. SEWARD, Esq. S.U. S. Contal Control, We. Stu, As Mr. W. H. Medburg, H. R.M. Consul at this port, issued under instructions from His Excellency Sir Rutherford Alcock, British Minister at Beliang, on invitation for expression to the United States Ministors. I box. there, collected and settled by Tallies. fore to be allowed again to arge that the claims . Houghong, 24nd March, 18.9. of the Telegraphic Enterprises may, at flus opportune movement, be submitted to all to all the consideration of the Chinese government I am the more desirous of addressing His Exictlescy John Ross Browne, in relation to the Electric Telegraph, as that subject distinct seem to have all racted attention commensurate with H.W. Houndon & Co. its importance, in the communications which have been addressed to the British Minister on the needs of foreign commerce in China. You are aware as compassioner of the East India-Tolagraph Company, I patitioned the Change Chavern. ment, through several Vincroys, for telegraphics privileges in behalf of that corporation; and also China Sugar Refinery, East Point, that, although, I was fayoured with the support In a Fig. Alloughorf. 18th March, 1869. of Foreign Legations at Peling, the desired concession was not granifed ! Eince that fine, however, the Impural Covernment has in vorious ways exhibited its appreciation of recent scientific discoveries, and has marife telf an unexpected disposition to cuttivate friendly relations with foreign Cover enems. These

of an improvement which lainst prove conduction to the interest of China, and which is well night indispensable to the foreigner, whether hiplo matic or merespille. There is reason to believe | F. R. LEONARDO NOBONHA bas been that the reluctance of the Imperist Authorities to consent to the construction of telegraphic list instant. lines, is mainly because it is no affect of longre to power to be safely committed to for i goess, but as the project of obtaining a concession of this kind has been abindened, there remains. no longer an insuperable objection to the inspoduction of electricity as a made of intercommunication. The stellograph would not ness under the says and near not augment the numbers or influences of foreigners. The ier of the charment of the char in the land, nor is it obnoxious to the charge of in highilation, from this date. disturbing graves, or of seriously ellending popular belief in geometrey. The ownership, construction, working and profits of the times, might all pertain to the Government, and yet foreigners nevertheless obtain all needful Prode, Goodwill, Fixtures, &c., of this old estatelegraphic facilities - Moreover, telegraphy can, be readily introduced into China, without the neeinct of the treaty ports, and I have domonstrated the myriads of Chinese characters can be easily transmitted by the ordinary telegraph, the some with June last. appartusbeing applicable aliketo the alphabetic, and ideographic writing; the authographic method has not yet fulfilled its early promise of Januarized to sign our Frem in Hongkong and supersading the only one in general means Already telegraphy has been brought to the portals of China, but messages, that are trace, mitted from America and Europe to the foreign legations at Peking, and to moreantile houses at the open ports, are intercepted at the frontier. SURVEYOR TO DEEXCH. LACKES, minder date and their value greatly impaired by delays in of December and, 1868. cident to their further transmission, which, under bepresent system amounts to four teen days. often more, from Kiachta, to this port, and which in winter are wholly suspended. The exclusive policy which subjects foreigners to be

the profession of a desire to cultivate friendly the date. intercourse through the Embassy to the Trenty Powers, that we have a right to expect the specily abandonment of all needless restrictions on lieter-communication; to the extent, at least, of allowing the Trans-Mongolian line to be exoperation, before the advantages that must accrue to the Chinese from its extension to San 92 Amoy 1st January, 1809 the peace and prosperity of the equine, -a con- & Co. summation to be desired by foreign, not less than native interest. Les Pelegraphy be considered by the Peking government opart from the other demands that are heary made upon them, and ite innot full to obtain their approval. I am aware that the Western representatives at Peking have not unfrequoutly represented to Chinese statesmen, the desirability of introducing into the country all these appliances which are adapted to develope its resources, and that the value of the electric telegraph was | FR. C. J. H. SCHRODER is authorised to are therefore deferentially submitted. In equiclusion, it may be proper to und that foreign

not forgotten; but as misappreheasion still // sign one firm per procoration from this exists amongst the Chinese on the subject, it is date. jussible that the opinions begain expressed may not be without age at the present janeture, and merchants at the part dre ready to advance ruquisite funds, for constructing telegraphic lines for the Chinese government, on equitable terms. I have the honor to be, Sir Most respectfully yours, D.J. MACGUWAN

SUPERATE COURT, HONGKONG, Regina v. Bailes, pelition for Lave to appeal to the Priva Council. At the opening of the Court, on the 30th March, before Chief-Justice Smale, Mr. Hayilar, on behalf of the defendant in the above case, made an ex-parte application for a rule niei, calling upon the Attorney-General, on behalf of the Crown, to show cause why the above perition should not be dismissed: In support of this application, the learned LACES. down by Privy Council applied only to civil trimmed HATS in all the lashionable shapes. suits and actions, and that in a case like the Ladies BONNETS latest styles, Lain and present, this Court had no jurisdiction to either | Foncy S NSHADES, Fancy FANS, &c. grant or refuse the prayer of the above petition. Leclies and Gentlemen's Fronch Kid There was no case on record of a petition for GLOVES and BOOTS. leave to appeal for the Privy Council in a crimi- Latine' White Satin and Kid BOOTS nal case, until the year 1803, and this was A large assortment of French and English was granted was reported, and that was in 1867. bell HATS, SHIRTS, COLLARS, TIES, &c., Again, he contended that there was no appeal Ac. in a case where there had been an acquittal, and |. Henric's PERFUMERY. this judgment on demurrer amounted to a rerdict of acquittal. Brisfly he argued that, firstly, this case had fallen to the ground, and

therefore defendant was no longer before the Court; and, secondly, that the Court and no power or inrediction to either grant or refuse: The rule was granted, returnable on the that A cach onlygging Mail to China and Japan, given, the accents being carefully marked on April, when the Attorney-General appeared, containing Mercantile Intelligence and Politic the best principle hitherto attained. the United Kingdom will be sent on, charged with a fine of One Shilling in addition to the Letters posted after 7 A.M. on the 6th April. will not be forwarded, unless the Late Fee as well as the postage is prepaid.

Payment for Postage Stamps must be made in the current Dollars of the Colony, or Bank

Money Orders on any of the Money Order Offices in the United Kingdom will be granted until 5 r.m. on the 5th April. F. W. MITCHELL. Postmaster General.

General Post Office. Hongkong, 27th March, 1869. POST OFFICE NOTIFICATION 1.—On the 1st of October next, and thenceforward Money Orders will be issued at this Office and at the Agencies thereof at Shanghai and Yokohama on all the Money Order Offices in the United Kingdom of Great Britain and Iroland, for Amounts not exceeding £10, at the rate of Exchange Current for each Mail, and

charged with Commission according to the following Scale, viz. :--For Sums not exceeding £2.... Above £2 and not exceeding £5 ..... 24

2.-No Money Order to include a fractional part of a Penny. 3.—Orders drawn in the United Kingdom upon Hongkong, Shanghai, and Yokohama. will be paid at the rate of Exchange, at which Money Orders are being issued at the time of their presentation. 4.—Alphabetical Lists of over 8,700 Money Order Offices in the United Kingdom, showing the Countries in which they are situated are hung up for public reference at this Office, and : also at Shanghai and Yokohama. 5.—Applicants for Money Orders must furnish, in full, the surname, and, at least, the initial of one Christian name, both of the Remitter and the Pavee; if the Remitter or.
Pavee be a Peer or a Bishop, his ordinary title
will be sufficient, if a firm, the usual designation. of such firm, such as "Baring Brothers" will suffice, but the the mere term Messis, such as "Messrs. Rivington," or the name of a Company trading under a title which does not consist of the names of the persons composing it, such as " Carron Co." is inadmissible. 6 .- The Remitter on stating that the Order is to be paid only through a Bank, to have the option of giving or withdrawing the name of the Payce, in such case the Order will be crossed in the same w. y that Cheques are commonly prossed when they are intended to be paid dirough a Bank.

7.-When an Order is presented through a Bank, a receipt by any person will be sufficient, provided the Order be crossed with the name of the receiving Bank, and be presented by some Person known to be in the employ of 8.—The signature of the Payee of a Money Order to be affixed to the Order in the place provided for the purpose. If the Payer be unable to write be must sign the receipt by making his mark in the presence of a Witness, PONDICHERRY, MADRAS, AND who must sign his name, with his address in presence of the Officer who pays the Order. 13.—Repayment whether of an original, or renewed, or a applicate Order, will not be made Port for the above places, with MAILS, PAS to the remitter until it has been ascertained that the advice has been cancelled at the Office on which the Order was originally drawn. 16.—After once paying a Money Order, by whomsoever presented, the paying Office will payment, however, be made owing to negligence on the part of any Officer of the Post Office, the fit, require the Officer in fault to make good 17.-No Money Order will be maid unless the advice has been previously received. 18 .- Additional Rules for greater security against found, and for the better working of the system generally will be made as occasion

19.—Should it appear that Money Orders are used by mercantile area, or others, either in the United Kingdom or at Hongkong. Shanghai, or Yokohama, for the transmission of large sums of money, the British or Colonial the propriety of increasing the Commission, and will exercise the power of wholly suspending for a time the issue of Money Orders. By Command: F. W. MITOHELL
